Present Simple practice (*Utrjevanje navadnega sedanjika*)

Goal: Practicing the Present Simple, mostly affirmative, intro to negative, questions and time expressions.

1) For those of you who answered the “**Easter in Britain**” questions into your notebook check the **answers** on the next page.

Also those of you who had difficulties with the questions just **read the answers**.

2) Do the **quiz** at this link: <https://quizizz.com/join?gc=148687>.

This is a **compulsory (must-do)** exercise for today – It's a **check-up** how much you know about the Present Simple. You can reach it on your computer, phone or tablet, and you do not need to register for anything, just follow the link.

The quiz will be active until Friday, 17 April, 10 o'clock in the morning. This way, you can also do it several times to practice your use of the Present Simple tense. **If** you do it more times, **please**, write your name and **add the number of your try**, eg. *Name 1, Name 2*.

*) If you want more, you can do an **extra** exercise in your Student's book: **SB, p.45/exe. 8**. Write sentences into your notebook, for example six sentences.

Utrjevanje navadnega sedanjika

1) Če si na vprašanja iz videa o **Veliki noči v Veliki Britaniji** reševal v zvezek, **preveri svoje odgovore** z rešitvami na naslednji strani.

Odgovore preberite tudi tisti, za katere so bila vprašanja zahtevna.

2) Reši **kviz iz navadnega sedanjika** na tej strani: <https://quizizz.com/join?gc=148687>.

To je **obvezna naloga**, ki jo morate narediti – je neke vrste **preverjanje**, kako dobro vam gre navadni sedanjik do sedaj in koliko se po dolgem vikendu spomnite. Vaja je narejena v obliki spletnega kviza, ki ga lahko rešujete na kakršnikoli napravi s povezavo do spleta (računalnik, telefon, tablica) brez registracije ali vpisovanja.

Kviz bo odprt do petka, 17. aprila, do 10. ure dopoldne. Tako lahko kviz **za vajo** rešite tudi **večkrat**. V tem primeru te prosim, da ob svojem imenu ob vpisu v kviz (ne v kvizu) napišeš tudi **zaporedno številko reševanja**, npr. Ime Priimek 1, Ime Priimek 2, itd.

*) Če želiš in rabiš **več** vaje, lahko rešiš nalogo v učbeniku: **Učbenik, str. 45/nal. 8**. V zvezek napiši resnične povedi o svojih sošolkah in sošolcih ali o osebah iz tvoje družine, pomagaj si z iztočnicami v okvirčku ali uporabi svoje ideje (npr. šest povedi).
